HISTORY & MISSION

The National Association of Shrine and Pilgrimage Apostolate (NASPA) is an association of shrines that have been designated as national Catholic shrines or that have been designated diocesan shrines. Formed in 1990 by the United States Conference of Catholic Bishops (USCCB), the purpose of NASPA is:

RENEW the meaning of pilgrimage as a religious and spiritual experience, thus enhancing a sense of evangelization to a pilgrim people.

INSPIRE interest in pilgrimages to the shrines sacred to our Catholic heritage in this country and abroad.

SERVE shrine personnel and directors of pilgrimages in their ministry and to enable collaboration of efforts to this end.

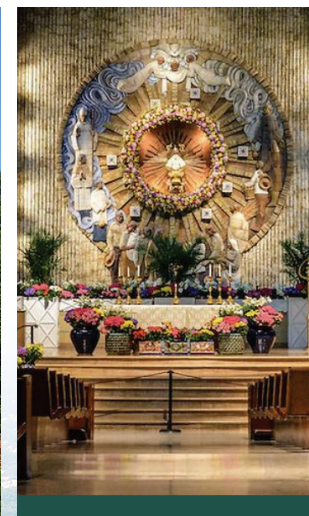

NASPA Members

are found all across the United States. From sea to shining sea, our shrines and pilgrimage sites serve as reminders of God's grace and love for His children.

Take time to visit these beautiful shrines when you travel, whether for business or leisure. Our shrines are here to meet your spiritual needs in the sacraments and in prayer.
